Your login: _____ Password: _____

To place an order:

- Direct your browser to the web address listed above
- If you have already registered, log in (enter username and password) in the boxes provided
- If you have not registered, click "Register Now" and enter the requested information. Only the fields that have an asterisk ** are required
- After registering, the system will prompt you to log in. Once you are logged in, click the red "Online Store" button on the left
- Navigate to the "Quick Order" form and select the appropriate product(s)
- In the space provided, enter the quantity of each product, then click "Add To Your Cart". After you have made your selection you will later have the opportunity to modify your order, if needed.
- Enter your credit card and billing information in the appropriate spaces
- Enter your shipping name and address. Click "Continue the Order" button
- You will be presented with an Order Confirmation page. Please review it carefully, making any necessary changes by clicking "Change Cart Items." Continue on using the prompts.
- You will see an "Order Confirmation" page containing the details of your order. This confirmation will also be emailed to you.
- Orders received by 1 pm are shipped the same day (except refrigerated products, which cannot be shipped after Thursday), and typically take from 2 – 4 days to reach you, including shipping time.
- We ship via UPS
